

## Beckwithshaw Community Primary School

Email : [admin@beckwithshaw.n-yorks.sch.uk](mailto:admin@beckwithshaw.n-yorks.sch.uk)

8th February 2019

**Parent Consultations...** A reminder that our parent consultation appointments are Wednesday 13th February. If you require a reminder of your allocated slot, or you are unable to attend, please contact Mrs Wood.

**Phonics Session...** Thank you to all the parents who came along to the Phonic Session hosted by Mr Bailey and Mrs Sabet. We hope you enjoyed it and picked up some useful tips.

**Reporting Absences...** We require parents to report absences, via the school absence voicemail, by 9.30am for each day your child is unwell and will not be attending school. A child who has vomited or has had diarrhoea, should be absent from school for 48 hours since their last bout.

**Head Lice...** There have been a couple of cases of head lice in school. Head lice are tiny insects that vary in colour from cream to black. 'Nits' is the common name for the small eggs that are laid by head lice. They are the size of a grain of salt and are found glued to the hair near the scalp. They are usually found behind the ears, the back of the neck and fringe.

To assist with the prevention of head lice spreading, please ensure you check your child's hair. If lice or nits are found, please treat immediately. It is also imperative that children's hair is tied back at all times, to prevent further spreading.
