### Governor Elections

Following last night's Full Governing Body Meeting, we would like to announce the election of the new chair, Chris Robinson, and vice chair Ian Broadbent. We sincerely thank Rachel O'Brien, the retiring chair, for all her hard work and are delighted that she will continue to be a governor for our federation.

**Germs in school...** After a lovely summer, we, inevitably, have childhood germs in school.

There has been a case of impetigo which is contagious. Children have been handwashing extra thoroughly to help contain this.

If you suspect your child has impetigo, they should be taken to the doctors to receive antibiotic medication. Once children have had 24 hours of medication they can return to school if they have the area covered with gauze.

We also have had a couple of cases of head lice so please be vigilant.

**Flu Immunisations...** Children in Reception to Year 5 are entitled to Nasal Flu Immunisation. If you haven't already, please complete the online form, as detailed on an email on 10th, by Fri 28th September.

Please note this is an OPT IN service so any late responses will not receive the immunisation.
