27th April 2018

Disco

A huge thank you to FoBs for last week's disco. The children had a superb time. It takes a great deal of time to organise such events to raise money for our school and we would like to thank them for their continued support. Their next event is the 'Rock, Paper, Scissors' competition on the 4th May 2018 in the village hall—sign up sheet on Mrs Wood's desk. Please come along and support it.

Bikes in School

It is really splendid to and from see some children cycling to school when it is good weather. If you do decide to do this, please can bikes be left in the Plantation garden and the moment. Whilst this area is secure, we would still recommend that the bikes are chained as they are left their at the owner's risk. Remember helmets and hi—vis clothing!

Science... Mrs Sharpley began her science project with the Y4 children from Beckwithshaw and Kettlesing this week. The children has a super time and were excited about their new working partners. This is part of a federated school's study we are taking part in and it seemed a great opportunity to develop our children's learning. Thank you to Mrs Sharpley for developing this.

007™

Awards for...

Teamwork
