There will be opportunities for children to develop their learning, deepen their thinking and progress with their understanding across the curriculum.

As always, please feel free to add to your child's learning journey on Tapestry. It is great to see what they are doing at home and they love sharing this at school too!

Stay and play will be on Monday 4th February. Hope you can join us!

Need to contact us...

Jot a note in your child's planner or we are always available on the playground at the end of the day.

Urgent: Please call the school office and ask to speak to the class teacher.

Planners are checked at least twice a week. If you have written a note in them please mention this to us and encourage your child to show us, thank you.

- When a new sound is learnt in phonics a sheet will be sent home. Please look at this with your child; have a go at reading and writing the sound and thinking of words beginning with the sounds.
