

Activity/ Situation	MUSIC, DANCE and DRAMA DURING PANDEMIC <small>This risk assessment must be read in conjunction with the FULL OPENING OF SCHOOL DURING COVID-19 PANDEMIC FROM 8th MARCH risk assessment</small>				
Location	Federation of Beckwithshaw and Kettlesing Felliscliffe Schools and Ripley Endowed CE School.				
Persons at Risk	Pupils <input checked="" type="checkbox"/>	Employees <input checked="" type="checkbox"/>	Visitors <input checked="" type="checkbox"/>	Contractors <input type="checkbox"/>	
HAZARD(S)	<ul style="list-style-type: none"> * Contact Between Individuals Not Minimised and Social Distancing Measures Not Followed * Cumulative Aerosol Transmission * Shared Resources * Inadequate Hand Washing/Personal Hygiene 				
CONTROL MEASURES	ADDITIONAL INFORMATION	YES	NO	N/A	
Contact Between Individuals Not Minimised and Social Distancing Measures Not Followed					
Adults maintain a 2 metre distance from each other, and from children		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Individual lessons in music, dance and drama can resume in schools		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
During 1-2-1 lessons 2 metres social distancing between pupil and teacher is maintained		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Particular care is taken in music, dance and drama lessons to observe social distancing where possible	This may limit group activity in these subjects in terms of numbers in each group. It will also prevent physical correction by teachers and contact between pupils in dance and drama	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Where it is necessary to use peripatetic teachers, those individuals will be expected to comply with the school's arrangements for managing and minimising risk, including taking particular care to minimise contact and maintain as much distance as possible from other staff		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
If a teacher is operating on a peripatetic basis, and operating across multiple groups or individuals, it is important that they do not attend a lesson if they are unwell or are having any symptoms associated with coronavirus (COVID-19) such as fever, a new and sustained cough, loss of sense of taste or smell		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	

School ensures that peripatetic teachers maintain distancing requirements with each group they teach		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
School ensures that peripatetic teachers avoid situations where distancing requirements are broken; for an example demonstrating partnering work in dancing		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
School ensures that peripatetic teachers make efforts to reduce the number of groups taught and locations in school worked in, to reduce the number of contacts made	Peri teachers will use one room in school (staff room usually) and a piano area when required only. They must not spread out into multiple areas to facilitate easier group teaching.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In individual lessons for music, dance and drama, social distancing should be maintained, meaning teachers should not provide physical correction		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Cumulative Aerosol Transmission				
Any background or accompanying music is kept to levels which do not encourage teachers or other performers to raise their voices unduly		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Microphones are used to reduce the need for shouting or prolonged periods of loud speaking or singing	These should be clean after use or between uses of groups	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Performances with an audience do not take place	Consider alternatives such as live streaming and recording performances, subject to the usual safeguarding considerations and parental permission	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Playing instruments and singing in groups should take place outdoors wherever possible	If indoors, consider limiting the numbers in relation to the space	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If playing indoors, use a room with as much space as possible, for example, larger rooms	Rooms with high ceilings are expected to enable dilution of aerosol transmission	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

If playing indoors, numbers are limited to account for ventilation of the space and the ability to social distance		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
If playing indoors, rehearsals are for limited periods of time at a reduced level of loudness using microphones for amplification if necessary	Indoor rehearsals for no more than 20 mins	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Singing, wind and brass playing should not take place in larger groups such as choirs and ensembles, or assemblies unless significant space, natural airflow (at least 10l/s/person for all present, including audiences) and strict social distancing and mitigation as described below can be maintained		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In the smaller groups where these activities can take place, schools should observe strict social distancing between each singer and player, and between singers and players, and any other people such as conductors, other musicians, or accompanists	Current guidance is that if the activity is face-to-face and without mitigating actions, 2 metres is appropriate	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils should be positioned back-to-back or side-to-side when playing or singing (rather than face-to-face)		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Wind and brass players are positioned so that the air from their instrument does not blow into another player		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where practicable , performers should wear a face covering to mitigate mass aerosol expelled during singing	Principles of Safer Singing	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Shared Resources				
If possible, do not share microphones	If they are shared, follow the guidance on handling equipment	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Avoid sharing instruments and equipment wherever possible	Place name labels on equipment to help identify the designated user, for example, percussionists' own sticks and mallets	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If instruments and equipment have to be shared they are disinfected regularly (including any packing cases, handles, props, chairs, microphones and music	Instruments should be cleaned by the pupils playing them, where possible	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

stands) and always between users, following government guidance on cleaning and handling equipment	Hygiene: Guidance			
Handling of music scores, parts and scripts is limited to the individual using them		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The number of suppliers is limited when hiring instruments and equipment		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Schools should agree whose responsibility cleaning hired instruments is with the suppliers		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Hire equipment, pupil's own instruments, instruments brought on site by peripatetic teachers, tools or other equipment is cleaned on arrival and before first use		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Equipment, pupil's own instruments and instruments brought on site by peripatetic teachers should be stored in a clean location if brought on site before they are needed, and they should be cleaned before first use and before returning the instrument		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pick up and drop off collection points are created, to avoid passing equipment such as props, scripts, scores and microphones hand-to-hand		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Inadequate Hand Washing/Hygiene				
Handwashing, with soap and water, of 20 seconds duration takes place before and after handling equipment and before and after lessons		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Have you consulted with the people/representatives undertaking the activity as part of the preparation of this risk assessment		Yes <input checked="" type="checkbox"/>		No <input type="checkbox"/>
What is the level of risk for this activity/situation with existing control measures		High <input checked="" type="checkbox"/>	Med <input type="checkbox"/>	Low <input type="checkbox"/>
Is the risk adequately controlled with existing control measures		Yes <input checked="" type="checkbox"/>		No <input type="checkbox"/>
Have you identified any further control measures needed to control the risk and recorded them in the action plan		Yes <input type="checkbox"/>		No <input type="checkbox"/>
ACTION PLAN (insert additional rows if required)	To be actioned by			
Further control measures to reduce risks <i>so far as is reasonably practicable</i>	Name	Date		

State overall risk level assigned to the task AFTER implementation of control and action plan measures taken as a result of this risk assessment		High <input checked="" type="checkbox"/>	Med <input type="checkbox"/>	Low <input checked="" type="checkbox"/>	
Is such a risk level deemed to be as low as reasonably practical?		Yes <input checked="" type="checkbox"/>		No <input type="checkbox"/>	
Is activity still acceptable with this level of risk?		Yes <input checked="" type="checkbox"/>		No <input type="checkbox"/>	
If no, has this been escalated to senior leadership team?		Yes <input type="checkbox"/>		No <input checked="" type="checkbox"/>	
Assessor(s):	L Jackson-Ward	Signature(s):	L Jackson-Ward		
Position(s):		Signature(s):			
Date:	05-03-21	Review Date:	As required		
Distribution: staff via email					

Risk rating	Action
HIGH	Urgently review/add controls & monitor, notify H&S Team (if Likely or Highly Likely – stop work, seek competent advice)
MEDIUM	Review/add controls (as far as reasonably practicable) & monitor
LOW	Monitor control measures

POTENTIAL OUTCOME		LIKELIHOOD		POTENTIAL OUTCOME					
Catastrophic	Fatal injury/permanent disability	Highly likely	More likely to occur	Catastrophic					
Major	RIDDOR reportable Specified Injury/Disease/Dangerous Occurrence	Likely	↓	Major					
Moderate	RIDDOR reportable over 7 day injury	Possible		Moderate					
Minor	Minor injury (requiring first aid)	Unlikely	Remote	Minor					
Insignificant	Minor injury	Remote	Less likely to occur	Insignificant					
					Remote	Unlikely	Possible	Likely	Highly Likely

LIKELIHOOD
